

**Favor TechConsulting, LLC (FTC)** is seeking talented Network Leads with extensive Department of Veterans Affairs (VA) experience.

### **Essential Job Functions & Responsibilities**

- Recommend upgrades for network routing protocols and the operating system
- Identify and eliminate any issues affecting content filtering
- Use other enterprise monitoring tools to collaborate with the security team
- Create and deliver accurate filtering reports
- Provide metrics as required
- Ensure consistency and effectiveness of technical solutions across the team
- Perform product and solution alternative analyses

### **Required Minimum Qualification**

- Bachelor's Degree in related field
- 5-10 years of systems network administration experience
- Ability to troubleshoot problems effectively and efficiently
- Excellent verbal and written communication skills

In addition, U.S Citizenship is required. Applicants selected will be subject to a government security investigation and must meet eligibility requirements for access to classified information and be able to obtain a government-granted security clearance. Individuals may also be subject to a background investigation including, but not limited to criminal history, employment and education verification, drug testing, and creditworthiness.

Favor TechConsulting is an Equal Opportunity Employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, national origin, marital status, disability, veteran status, sexual orientation, or genetic information.
