

**Favor TechConsulting, LLC (FTC)** is seeking talented Release Managers with extensive Department of Veterans Affairs (VA) experience.

### **Essential Job Functions & Responsibilities**

- Experienced with the release process of all VA solutions, from the planning stage to the release stage
- Ensure that the release process is properly understood
- Communicate release status to external stakeholders
- Set and ensure an appropriate deployment/distribution plan
- Coordinate with the VA on internal and external communications
- Validate that the solution meets the VA's quality criteria
- Identify and implement ways to improve the release process and stream productivity
- Provide the final release authorization
- Serve as a liaison with Program Portfolio Management

### **Required Minimum Qualification**

- Bachelor's Degree in related field
- 2-5 years of experience in the release process
- Ability to troubleshoot problems effectively and efficiently
- Excellent verbal and written communication skills

In addition, U.S Citizenship is required. Applicants selected will be subject to a government security investigation and must meet eligibility requirements for access to classified information and be able to obtain a government-granted security clearance. Individuals may also be subject to a background investigation including, but not limited to criminal history, employment and education verification, drug testing, and creditworthiness.

Favor TechConsulting is an Equal Opportunity Employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, national origin, marital status, disability, veteran status, sexual orientation, or genetic information.
