

### Step 01

## To install other Microsoft Applications on your company issued laptop or personal device -

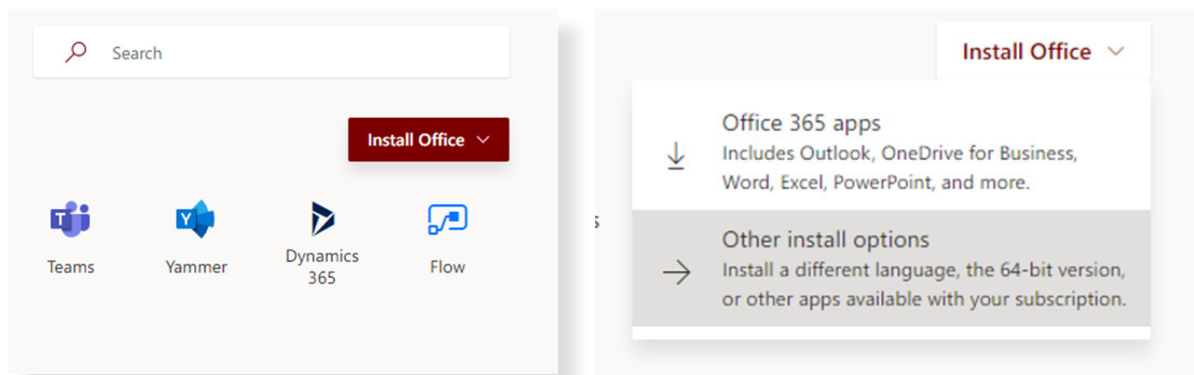

Open a browser window and navigate to the Microsoft Online log-in portal by navigating to [portal.office.com](https://portal.office.com)

Log in using your TriaFed credentials

Click on "Other install options"

If the license is assigned to your Microsoft account, the application will be available to click on the left-hand side

Click the application needed and install

*If you are stuck and in need of assistance please submit a help desk ticket to [HELPDESK@TRIAFED.COM](mailto:HELPDESK@TRIAFED.COM) and a technician will reach out.*
